SORNA Substantial Implementation Review Metlakatla Indian Community, Annette Islands Reserve

The U.S. Department of Justice, Office of Justice Programs, Office of Sex Offender Sentencing, Monitoring, Apprehending, Registering, and Tracking (SMART) thanks Metlakatla Indian Community, Annette Islands Reserve (Metlakatla Indian Community) for its effort to substantially implement Title I of the Adam Walsh Act, the Sex Offender Registration and Notification Act (SORNA). The SMART Office has completed its review of Metlakatla Indian Community's SORNA substantial implementation materials and has determined that Metlakatla Indian Community has substantially implemented SORNA.

On October 2, 2017, Metlakatla Indian Community submitted a substantial implementation package. Over the course of the next three years, Metlakatla Indian Community supplemented this initial package with materials that included a background of the Metlakatla Indian Community, the updated Metlakatla Indian Community Sex Offender Registration Ordinance, the relevant Metlakatla Indian Community Police Department policies and procedures and the relevant Metlakatla Indian Community Police Department registration forms. In addition to the initial package and supplemental materials, email and phone correspondence with the Metlakatla Police Department informed our review.

This review is exhaustive and details each area in which Metlakatla Indian Community has met SORNA standards. This review follows the outline of the SMART Office Substantial Implementation Checklist-Revised, and contains 11 sections addressing the SORNA requirements. Each section indicates Metlakatla Indian Community meets the SORNA requirements of that section.

I. Immediate Notification and Exchange of Information

SORNA requires that when an offender initially registers and/or updates their information in a jurisdiction, that the initial registration information or updated information be immediately sent to each jurisdiction(s) where the offender has to register—where the offender lives, works and/or goes to school—through the SORNA Exchange Portal or other means, as well as sent to the National Crime Information Center's National Sex Offender Registry (NCIC/NSOR) and the jurisdiction's public sex offender registry website. Notification must also be provided to appropriate law enforcement agencies, supervision agencies and any agency responsible for conducting employment-related background checks under 34 U.S.C. § 40102(a) in each jurisdiction where the offender is registered.

Metlakatla Indian Community meets all of the SORNA requirements in this section.

II. Offenses That Must Be Included in the Registry

SORNA requires that a jurisdiction capture certain sex offenses, both from the jurisdiction itself and from other SORNA registration jurisdictions, in its registration scheme. In addition, SORNA requires certain federal, military and foreign offenses be included in a jurisdiction's registration scheme. SORNA also requires that certain adjudications of delinquency be included in a jurisdiction's registration scheme.

Additionally, when an offender has been convicted, sentenced or incarcerated in another jurisdiction (including federal or military court), the jurisdiction must register the offender within three business days of the offender establishing residence, employment or school attendance within the jurisdiction. Finally, SORNA requires that, during the initial registration process, the jurisdiction inform the offender of their registration duties and require the offender acknowledge in writing that they understand those duties.

VII. Keeping the Registration Current

SORNA requires registered sex offenders immediately appear in person at the registering agency in their jurisdiction of residence to update their name, residence, employment, school attendance and termination of residence. SORNA also requires sex offenders immediately update the registering agency in their jurisdiction of residence about any changes to their email addresses, internet identifiers, telephone communications, vehicle information and temporary lodging information.

When an offender works in a jurisdiction, but does not reside or attend school there, SORNA requires the offender immediately appear in person to update employment-related information. When an offender attends school in a jurisdiction, but does not reside or work there, SORNA requires the offender immediately appear in person to update school-related information.

SORNA also requires that, when an offender intends to travel outside the United States, the offender notify the registering agency in their jurisdiction of residence at least 21 days in advance of such travel.

In addition, SORNA requires that, when an offender notifies the jurisdiction of intent to relocate to another country to live, work or attend school, or intent to travel to another country, the jurisdiction must do three things: 1) immediately notify any other jurisdiction where the offender is either registered or is required to register of that updated information; 2) immediately notify the United States Marshals Service; and 3) immediately update NCIC/NSOR.
